

SPECIAL TOPICS COURSE APPROVAL

STC

USC Columbia, Lancaster, Salkehatchie, Sumter & Union campuses

INSTRUCTIONS: This form is used to request approval in a given semester to offer special topics courses designated with a letter suffix and a distinct title that clearly identifies the topic of the course to be taught. Any letter may be used for a suffix except L (reserved for laboratory courses), M (reserved for May Session courses) and X (reserved for Experimental courses). If the same special title is used more than once, it is good practice to use the same letter suffix again for that title. However, the same suffix should not be reused for two different titles in the same academic year. This form is available online at www.sc.edu/provost/acadprog.
