STC

USC Columbia, Lancaster, Salkehatchie, Sumter & Union campuses

INSTRUCTIONS: This form is used to request approval in a given semester to offer special topics courses designated with a letter suffix and a distinct title that clearly identifies the topic of the course to be taught. Any letter may be used for a suffix except L (reserved for laboratory courses), M (reserved for May Session courses) and X (reserved for Experimental courses). If the same special title is used more than once, it is good practice to use the same letter suffix again for that title. However, the same suffix should not be reused for two different titles in the same academic year. This form is available online at www.sc.edu/provost/acadprog.

COURSE DESCRIPTION:

This course offers an introduction to swing dances originating from the first half of the 20th century with swing style of jazz music. Swing dances covered include the Charleston, East Coast Swing and Lindy Hop with some time spent on Jitterbug, Jive, The Big Apple and other forms of swing dance.

LEARNING OUTCOMES:

1. To demonstrate advanced knowledge of swing structure, technique, and terminology.
2. Review history.
3. To understand and execute introductory to intermediate level swing steps in proper form.
4. To execute a number of sequenced, and choreographed moves and turns.
5. To build upon affective skills of dancing well with partners.
6. To demonstrate coordination of rhythm and movement in various directions at various tempos.
7. To demonstrate an understanding of balance performed with correct technique.

DRESS REQUIREMENTS:

Students should dress comfortably. Tennis shoes, flip-flops, mules, high heels, or shoes with heavy or thick soles should be avoided as they tend to inhibit freedom of movement on the floor. Dancers are encouraged to wear comfortable shoes with leather or suede soles.

CLASS POLICIES:

1. Be punctual and do not miss class. Tardies and absences will be penalized and negatively affect your grade. Attendance is VERY important and it is your responsibility to be in class on time and ready to participate. After roll is called and you are absent, you will be considered tardy. Three (3) tardies will constitute an absence.

PASS-FAIL OPTION:

S (satisfactory) and U (unsatisfactory) will be awarded for performance in courses under the Pass-Fail option. These designations can also be used for some research courses, workshops, and seminars in which the regular academic grades are not used. If this option is chosen (or if some major departments make students take a physical activity class as Pass-fail), students must fulfill all class requirements. A grade of 60% or higher is needed for a grade of Pass. Please note the semester deadline for filing your Pass-Fail option.

CODE OF ACADEMIC INTEGRITY:

The University of South Carolina Honor Code states: It is the responsibility of every student at the University of South Carolina Columbia to adhere steadfastly to truthfulness and to avoid dishonesty, fraud, or deceit of any type in connection with any academic program. Any student who violates this Honor Code or who knowingly assists another to violate this Honor Code shall be subject to discipline. A zero tolerance policy for academic dishonesty is in effect to this course.

Disability Statement: Learning-disabled students who wish to take advantage of University-approved program accommodations must have an academic advisory plan on file with the Office of Student Disability Services and the Dean of the College. The Office of Student Disability Services is located in LeConte College at the corner of Pickens and Greene Streets in Room 112A, first floor. (803.777.6142) SASDS@mailbox.sc.edu.

SEXUAL HARASSMENT:

Sexual harassment is not permitted at USC. Please be aware that your statements and actions are being observed by numerous students with very diverse backgrounds. What may be harmless in one person's opinion may be interpreted as harassment by another. Any concern regarding sexual harassment should be reported to the instructor or the program director, Mr. Gary Nave at 803-777-3239 or Dr. Linda Nilges at 777-3172.

HEALTH HISTORY QUESTIONNAIRE:

Because physical activity courses often involve strenuous physical activity, the PE Department reserves the right to require a physician's approval before allowing a student to participate in this course.

TOBACCO POLICY:

USC has a new no-tobacco policy that went into effect Aug. 1, 2006. Tobacco use is now prohibited in and around all USC-owned and -occupied buildings, university vehicles, and in designated outdoor areas. Please visit www.sc.edu/healthycarolina to see the complete policy and to learn more about how you can improve your health and encourage healthy behaviors by all members of the Carolina community. Also, this site has listings of the many free resources USC offers to help tobacco users quit if they so choose. **Anyone using tobacco in any form during class time will be asked to leave class and charged with an unexcused absence.**

While the provisions of this syllabus are as accurate as possible, the instructor reserves the right to change any provision in this syllabus in an emergency situation with notice to the student.

I HAVE READ AND FULLY UNDERSTAND ALL RULES, REGULATIONS, AND STIPULATIONS OF THIS SYLLABUS. I ACCEPT FULL RESPONSIBILITY FOR ADHERING TO ALL OF ITS CONTENTS AS A DULY REGISTERED STUDENT IN PEDU 100L, Spring 2012.
