Basic Programs Curriculum Committee Minutes

March 13, 2003

Members of the Basic Programs Committee reviewed the documents submitted for curriculum and course changes. Recommendations are as follows:

I. Department of Physical Education, Curriculum Change Requests

Dr. Rink’s request for programmatic changes are warranted. She provides sound justification for decreasing physical education students’ credit hour requirements while remaining congruent with NCATE requirements and Praxis I requirements. Approved.

II. Department of Educational Psychology and Education, New Course Request

Dr. Carper’s request to add a new course, EDCE 555: Theory and Practice of College Mentoring, taught by Dr. Gold, is warranted. They provide sound justification for a rigorous course on mentoring with well developed course objectives, appropriate readings and assignments. Approved.

III. Department of Instruction and Teacher Education, Course Deletion Request

Dr. Kuhs’s request to delete EDEL 460 is warranted. She provides sound justification for deleting the course and includes a letter of support from Dr. French. Approved.

Members voting: Cheryl Wissick, Susan Schramm-Pate, Richard Hult, Ed Cox, Kevin Swick, Eva Vadocz.
