Faculty/staff members in attendance: Drs. Bailey, Dollarhide, Kent, Wissick, and Werner.

1. The minutes from the 10/25/04 meeting were approved.

2. Student Appeal: Sam Tadayon (Denied)

3. The Peabody Scholarship applicants were discussed. The committee members came to consensus that the GPA requirement of 3.5 should refer to the current degree program of the student. Ten students were recommended as Spring 2005 recipients of the Peabody Scholarship and 5 students were recommended as Fall 2005 recipients.

The committee also decided to allow for the possibility that one additional student would be allowed to qualify for the scholarship if her grades from the fall 2004 semester bring her GPA to 3.5 or better.

4. The next meeting for the committee was set for Wednesday, January 26, 2005 at 10:30 a.m. to decide the recipients of the remaining awards and scholarships. Dr. Cheryl Wissick will chair the meetings for the Spring 2005 semester.

5. Dr. Werner recommended that the next meeting also be used to modify/add awards to clarify and accommodate the new undergraduate programs in ITE.

6. The meeting adjourned.
