ImPACT Teacher Surveys 2007
Directions: The Office of Program Evaluation and the South Carolina Educational Policy Center at the University of South Carolina are conducting an evaluation of Richland County School District Two’s ImPACT (magnet) program. The purpose of this survey is to get your opinion about the Arts Integrated program at Conder Elementary School which is part of the magnet program. Your responses are confidential and will be summarized and reported with those of other teachers. Thank you for your participation.

* Percentage totals may not add up to exactly 100% due to rounding.

**Teacher Survey**

**Directions:** The Office of Program Evaluation and the South Carolina Educational Policy Center at the University of South Carolina are conducting an evaluation of Richland County School District Two’s ImPACT (magnet) program. The purpose of this survey is to get your opinion about the Enhanced Arts Program at Richland Northeast High School which is part of the magnet program. Your responses are confidential and will be summarized and reported with those of other teachers. Thank you for your participation.

* Percentage totals may not add up to exactly 100% due to rounding.
